Carl Ed. Schünemann is a publishing house based in Bremen. We produce newspapers and educational materials specially designed for German learners of foreign languages. We are currently looking for a

Full-time editor (male/female)

for our English-language team to work on our publications **Read On** and **World and Press**.

The position entails:

- Writing articles in easy English (CEFR A2 – B1) on a wide range of topics for **Read On**
- Liaising with freelance authors
- Editing articles and teaching materials from other contributors
- Proofreading
- Work on the digital version of **Read On**

We are looking for someone with excellent English writing skills, a perfect command of English grammar and wide knowledge of the English-speaking world. An extensive knowledge of UK politics, society and culture is essential for this position. You should also have a broad range of interests covering everything from politics to sport and fashion. Keeping up with current events by reading the newspaper should be part of your daily routine.

Skills and qualifications:

- University degree, preferably in a language
- Native proficiency in English
- Excellent knowledge of German essential
- Excellent writing and editing skills
- Must have an understanding of German readers' interests
- Ability to work in a team as well as independently
- Experience in publishing or teaching an advantage

We look forward to receiving your application – by e-mail or post and in German please – with your salary expectation and the earliest date you would be able to start.
